No. 1-10

(Jan 13, 1934)

The Secretary of the Treasury today made public an order amending his order of December 28, 1933, so as to permit collectors of rare coins to hold quarter eagles ($2.50 gold pieces), when they form a part of a collection of rare coins. The provision is made, however, that not more than four quarter eagles of the same date and design and struck by the same mint, may be held by any one collector.

An amendment by the President to the Executive Order of August 28, 1933, was also made public. This amendment brings the Executive Order into harmony with the latest order of the Secretary of the Treasury and at the same time will permit collectors of rare coins to acquire them from one another and to export collections of rare gold coin under license by the Secretary of the Treasury.
